ASRM BEST CASE/BEST SAVE

Sunday, January 22

ASRM members perform microsurgery at an incredibly high level. Despite this, those cases often tend to be one-of-a-kind and therefore not well-suited for public dissemination or publication. At the annual ASRM meeting we will be addressing this situation by presenting two awards for excellence in microsurgery. One award will focus on microsurgical salvage from a complication (self-created or other), the other on the best microsurgical case of the year. By offering these awards, we hope to showcase some of the incredible talent and innovation that our members possess and utilize on a daily basis. Your support of \$10,000 will enable us to provide the attendees with beverage and an audience response system for voting. We will acknowledge this support on the drink tickets, posters, program guide and during programming.
