

EDUCATIONAL SUPPORT OPPORTUNITES

AAHS HANDS-ON WORKSHOPS

\$15,000 Surgeon's Workshop

\$5,000 APP Workshop

There will be two workshops held on Wednesday afternoon for 4 hours. One will be focused for surgeons and the other will be focused for Therapists and Advanced Practice Providers. This is a CME opportunity to provide support for the surgeons' workshop and the therapists' workshop. Financial and in-kind support is needed. These are CME courses and support requires a Letter of Agreement for Commercial Support which is attached. Company will have no programming involvement but will be recognized as supporting the course in all relevant materials.

AAHS COMPREHENSIVE HAND SURGERY REVIEW COURSE

Friday, January 20

\$5,000

This CME activity addresses the principles of common topics covered on board exams, the Hand Surgery certification examination and resident-in-training examinations. This is a CME course and support requires a Letter of Agreement for Commercial Support which is attached. Additional registration is required to attend the course.

AAHS SCIENTIFIC PAPER SESSIONS

\$1,500 per course track

Throughout this program, a series of basic and clinical research papers chosen by the Program Committee will be presented. Topics will include arthritis, congenital, peripheral nerve, trauma, tumor, tendon, and microvascular. The objective of these moderated sessions is to expose the participants to ongoing research in the field of hand and upper extremity surgery and rehabilitation. This is a CME course and support requires a Letter of Agreement for Commercial Support which is attached.

AAHS/ASPN INSTRUCTIONAL COURSE TRACK

Wednesday, January 18 – Friday, January 20

\$3,000 /track

AAHS will offer the popular instructional courses. There will be 24 courses over 3 days. Please view the program for the extensive topics covered. These are CME courses and support requires a Letter of Agreement for Commercial Support which is attached. This is a CME course and support requires a Letter of Agreement for Commercial Support which is attached.

AAHS GUEST LECTURES

JAIYOUNG RYU LECTURESHIP IN INNOVATION

Wednesday, January 18

\$5,000

This lecture honors Dr. Jaiyoung Ryu and his commitment to further Innovation in Hand Surgery. The invited speaker is Dr. Mark E. Baratz. This is a CME course and support requires a Letter of Agreement for Commercial Support which is attached.

INVITED GUEST LECTURER

Thursday, January 19

\$5,000

The invited speaker is John Powers & Jacques Hocquebord.

Jacques Hocquebord is an Associate Professor in the Department of Orthopedic Surgery and Hansjoerg Wyss Department of Plastic Surgery at New York University. He trained at University of Washington for residency and University of California - Irvine with Neil F. Jones, MD for Hand/Micro Fellowship. Jacques has a passion for reconstruction of traumatic injuries. Along with his colleague Omri Ayalon, MD, Jacques is Co-director of the Center for Amputation Reconstruction at NYU.

AAHS JOSEPH DANYO INVITED LECTURER

Friday, January 20

\$2,500

This lecture honors Dr. Joseph Danyo, founding father of the American Association for Hand Surgery. The invited speaker is A. Lee Osterman, MD, FACS. This is a CME course and support requires a Letter of Agreement for Commercial Support which is attached. Additional registration is required to attend the course.

Please use the **Educational Support Agreement Form** on page 25 to register for the above support opportunities.
